Sir:

In response to the Office Action dated December 10, 2002, (Paper No. 13), the due date having been extended one (1) month to April 10, 2002, the following remarks are respectfully submitted.

IN THE CLAIMS

The status of all pending claims is as follows:

1. (Previously Amended) An oscillator having a fundamental frequency and having low phase noise comprising:
- a frequency dependent amplifier;
 - a frequency dependent feedback device in communication with an output of said frequency dependent amplifier and an input of said frequency dependent amplifier; and
